## No regrets

**L**ast week at a party I met two total strangers who took me back to their hotel.

I felt so free, like I could be the biggest slut and ask them to do really filthy things to me, and it wouldn't matter – we'd never have to face each other again after tonight.

I had fun stripping them too, moving back and forth, but Luke got in first, kneeling down and giving my pussy a licking.

back to sucking him, moaning and taking it in even deeper as I felt Luke ram his prick into my cunt from behind.

They switched a couple of times – then Andy asked would I be up for trying a DP.

I'd seen it done in porno films and wasn't sure. These lads were both well hung, and I find it hard

enough to take a cock in my arse at times, let alone one in each hole.

I didn't want to disappoint, though, so I made up for it by giving them a hand-finish, one in each palm, and letting them jizz on me. Luke was first to cum, giving me a hot, sticky facial. Then Andy let rip, spraying more on my face as well as my tits.

I didn't get any sleep again that night, and deliberately didn't get the guys' details, but I don't regret a thing...

*Mandy, Dorset.*

## CONTACT ME

I wanked Andy's shaft then stuck it in my mouth for a good sucking.

I was on all fours now, Luke still licking me. "Just fuck me," I said, using my hand on Andy's cock as I let it slip from my mouth. Then I went

## Bump in the night

**I** was feeling down in the dumps when my mate Lucy called saying that a girl from her work was getting married and would I like to go with her on the hen do.

It was the following Saturday and the theme was Hallowe'en.

Saturday came and I spent quite some time getting ready, putting my make up on and then making sure that my outfit looked as sexy as possible. I wore stockings, a short skirt and a top that showed off my boobs.

We had a few drinks at Lucy's house and then made our way to town to meet the rest of the girls. By the time we got to the club we were

well pissed and to be honest when I get drunk I need sex.

Me and Lucy started to dance sexily and soon two guys came over and asked if they could join us. We said

no need to ask and began dancing with them.

They were called Dave and Gary and were both very good looking guys.

Lucy looked at me and I just knew what she was thinking: they were hot and she needed sex as well.

As we danced we groped each other. Dave had a good feel of my tits, squeezing them and opening his mouth

body as though I was dancing but all the time he was finger fucking me.

I couldn't wait any longer so grabbed his hand and led him off to the toilets.

We locked ourselves in one of the cubicles and I went straight for the zip of his jeans. Out popped a thick eight inch cock – it was the thickest one I had ever seen.

I got to my knees and began to suck him hard. He then started to fuck my mouth. I let him get it as far down my throat as it would go until I was gagging.

got his cock out and started to wank. Just as I finished peeing he came all over my face. Some went in my mouth

on to his huge cock.

He entered me without any problem and we fucked for a while when he said he wanted to fuck me from behind.

I stood up and leaned over the back of the bench. He grabbed me around the waist and started to bang away like a jack hammer.

I was begging for more and the more I begged the harder he went. I could feel myself getting more and more aroused and then I started to cum.

As my cunt muscles clamped around his cock he started to twitch and he came at the same time, shooting his spunk deep into me.

We cleaned ourselves up a bit and went back to his, having a few more drinks and more sex.

I felt the front of his jeans and could feel a huge hard cock. I told him I wanted to fuck, to which he said soon.

He then put his hand up my skirt, I wasn't wearing any knickers so he could feel my wet cunt.

I opened my legs slightly and he slid two fingers into me. We were still on the dance floor so I moved my

Just then a bouncer knocked on the door and he threw us out of the club. We decided to go back to his but didn't get very far when I said that I needed a pee.

I went into the local park and Dave followed me saying he wanted to watch as a girl peeing really turned him on.

I crouched down and let my golden water flow. Dave

# KEEP THEM OUT!

No, it wasn't the UKIP party conference, calling for the repatriation of plumbers and waitresses and a return to 1953, it was the UKAP awards at the London Hilton Metropole, demanding the deportation of all clothes and a thorough inspection of all boobs and fannies in the vicinity. Tina Kay (getting naughty in the lavs with Lucia Love, above) won Best Performer and Escort fave Stella Cox took home Best Newcomer. But not me unfortunately.

**Dear Julia**

I have just been reading and wanking over *Escort* vol 34 no 10. Super! I had a great wank over Carley and would love to sniff the black knickers she had on. I would love to eat cake out of her arse crack and lick crumbs out of her hole and as a birthday gift I would stick my six-and-a-half inch cock up her arse and fill it with my spunk.

*Alan, Lancs.*

**Julia says:** To all those Weight Watchers women giggling about how "naughty" they are having a piece of cake. That's how you eat a piece of cake!

## DEAR JULIA

**Dear Julia**

My darling Miss Jones. Thank you, thank you so much for including the pictures of lusty Lara in *Escort* vol 34 no 10, sporting possibly the greatest pair of tits I have ever seen. Please, please can you show some more of her?!

*Grant, Beds.*

**Jugs addict**

**Julia says:** In the words of old perv "Rampant" Robert Palmer: you might as well face it, you're addicted to jugs. So am I, so here are some more of the luscious Lana's lungs!

**Dear Julia**

You should get more girls in to help you round the office. Lucia Love (vol 34 no 10) presided over a classic issue. And her pictures were the highlights. It looks like she had a lot of fun shooting in your office. And I bet most of your male staff were shooting too! What sort of reference would you give her?

*Michael, London*

**Orifice politics**

**Julia says:** Lucia was a respected and sociable member of staff who took great pride in sucking off any old person who walked by. We wish her well and expect she will be a great addition to your penis, er, team.

# KINGS O

**S**hameless slut that I am, I've finally met my match in Darren. He just can't leave a willing pussy unfucked! While we're honest with each other, we've got an open relationship. We worked it all out in the first six months – he'd be chatting up some bird in a club and I wouldn't mind, or even notice, because I'd be getting fingered off some bloke in a dark corner!

Most recently, I've been having fun with other women, too. I'd always been bi-curious and started out looking for some fun on my own, keeping it separate from what I did with Darren. But he

started getting obsessed with the idea of watching and maybe even joining in, so recently I've been going after bi-girls, who'll be up for doing him too.

We've found the internet and adult dating and contacts are the best way to do this. Again, honesty is key – we show her what she'll be getting, undraped, and expect the same back. We make it clear it's mostly a lezzie thing, but I've frigged off with toys and got a massive turn-on as I watch a girl screw Darren's boner.

Some play dates work out better than others, and one recent girl was pretty memorable! Her name was Michelle and

I sucked his cock and my nose brushed up against her clitoris

the pictures she sent us after we made contact were hardcore. She was sucking a bloke's dick, cunt-to-cunt with another woman and wearing all this kinky gear. We wondered could she live up to it for

# IT SWING

real, but she went beyond it.

As we had a couple of getting-to-know you drinks at ours, I stuck a home-shot DVD in the machine, just me and Darren fucking. She obviously liked what she saw – she was soon snogging and rubbing up against him. Then she just got up and stripped off. Being naked wasn't a big deal to her and she had a really gorgeous body. Cute little boobs and a Brazilian-waxed pussy, with her clit poking out just proud of her plump lips. Then she just plonked herself back down on Darren's lap, happy to let his hands wander wherever.

She complimented me on my "performance" saying I was giving it to Darren good! OK, I'd picked a DVD that showed me at my best, but she obviously fancied girls as much as fellas.

Michelle got up just far enough she could unzip Darren's jeans, then got his cock out. She was sitting on his lap with it poking up between her legs now, so she could massage it against her labia and slit. She was getting herself just as horny as Darren, licking juices and pre-cum off her fingers, and while I was cool with them kicking off the fun, I wanted to join in too. I grabbed Darren's dick, taking

over the wanking, as she watched me fuck myself with a toy on screen. Then I pulled it out and Darren buried his cock in me instead.

I couldn't stop myself – I bowed my head and took the real thing in my mouth, sucking it so deep my nose brushed up against Michelle's clitoris. And I gave it a teasing tickle with my fingers, keeping her wet and juicy for my other half.

I teased them both, fingering Michelle's labia apart then letting Darren's prick slip

A full-page photograph of two women from the waist up, facing each other. The woman on the left has blonde hair and is wearing a green New York Yankees baseball cap and blue and red striped thigh-high stockings. The woman on the right has brown hair and is wearing a pink baseball cap with 'Brooklyn' written on it. Both are wearing light-colored, possibly white, lingerie. The background is a vibrant, abstract pattern of pink, purple, and blue.

# LEXUS & BROOK

# TAV TEAM!

We were spraying the walls too after spying on gagging-for-it graf artists Lexus and Brook. It would be churlish for us to complain about defacing the nation's high streets when you see how much damage we can do with ten pints of Guinness, a kebab and a pliable receptionist. Round our way, the graffiti is an improvement, especially when carried out by such a fetching tag team. "We're always getting our bits out on the street!" giggles Brook. "We THINK that's why the police chase us!"

## Mature sleaze

**O**lder ladies are the best – they are often up for more and are a lot less uptight, so they're much more fun to fuck!

Last week, I was out at a club – you know, a standard grab-a-granny night – although I've always thought that was a bit rude as the late thirties-forties women that I prefer are hardly grannies! I got talking to an early-forties woman

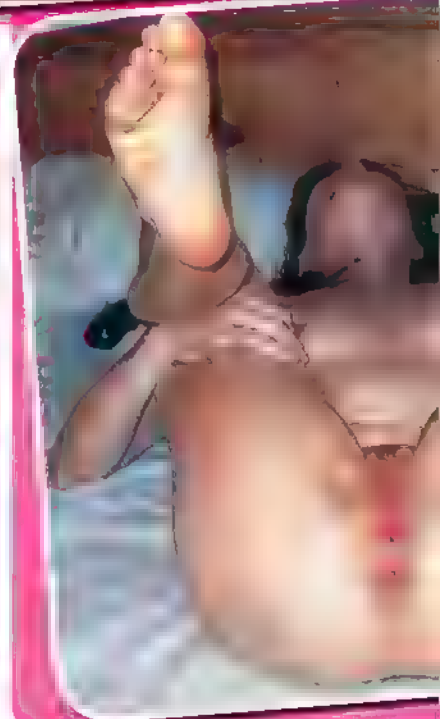

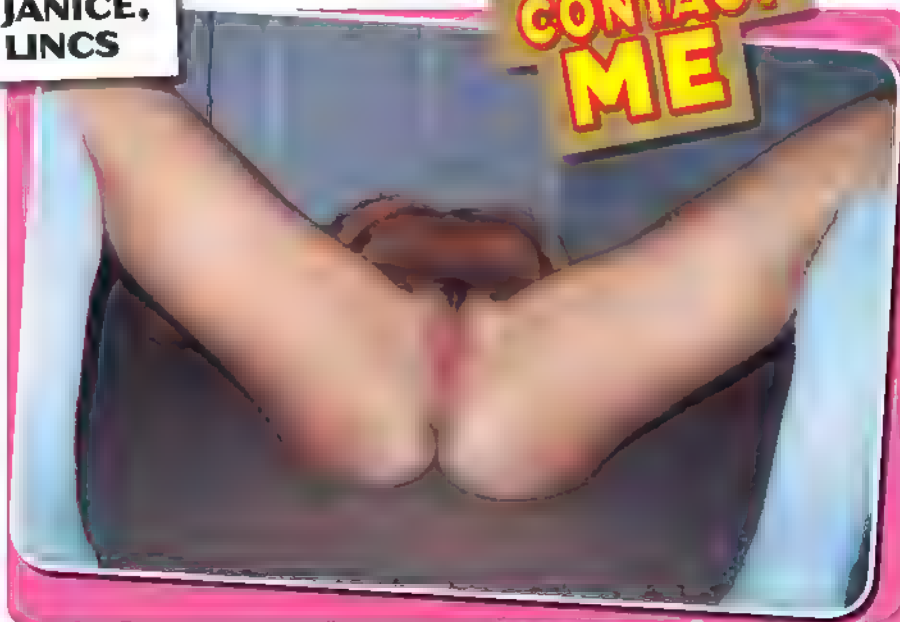

**JANICE,  
Lincs**

told and she plunged her mouth over my prick.

She explained, in between sucks, that she was going to suck me off here so that I'd last longer when she got me home. She gave good head too – she'd obviously practised to get her technique down pat.

## HER HUSBAND WAS WANKING HIMSELF STUPID AT THE SIGHT OF HIS WIFE ON MY DICK

named Jan. She was nicely dressed and had a good figure for her age. I suggested that we go back to mine for some fun.

I was surprised when she refused – but shocked when she explained why! She was married, she told me. That wasn't a problem though, as apparently her husband liked to watch her get fucked by strangers.

Guess what? She wanted me to go back to her place and fuck her – and her husband would be watching!

On the way to her place she pulled over and told me to get my cock out. I did as I was

Soon I was cumming, and she swallowed the lot!

When we arrived at her house, I barely had time to exchange nods with her husband before Jan told me to ignore him. "You're here for me, not him!" she said.

She dragged me up to the bedroom and told me to undress. By the time we were both naked my cock was standing to attention again. She looked at me and said, "Well, I've tasted you – don't you think it's time you tasted me?"

I didn't need a second invitation, I was on her twat

in a second, licking and exploring with my tongue.

Soon Jan's legs were shaking and I knew my tongue was doing the trick. I introduced her cunt to my

fingers as well, and stuck three of them into her slick hole.

That sent her over the edge.

and as I sawed them in and out while licking her clit she came loudly!

Next, I shoved my cock into her to the hilt in one thrust and began fucking her. I started at a steady pace and let her control how fast and how hard I fucked her

Soon I was doing her hard and fast – she'd been right to empty my balls on the way here, I was lasting ages! In fact, we'd been going so long I was tiring a little. Jan seemed to have plenty of energy, and made me lay on my back so she could straddle me.

She lowered her cunt down onto my cock, and bounced up and down on it, her arse cheeks slapping against my thighs.

Now she was on top I could see her husband on the landing through the open door, wanking himself stupid at the sight of his wife bouncing on my dick!

Jan took full advantage of my cock, cumming again before I was ready to cum. When I was almost there, she pulled me out and wanked me until I shot my second load of the evening over her pubes!

After we'd cleaned up, her husband called me a cab. Jan invited me back and gave me her number. As I was leaving, the last thing I saw was her husband kneeling between her legs ready to lick her spunk covered twat!

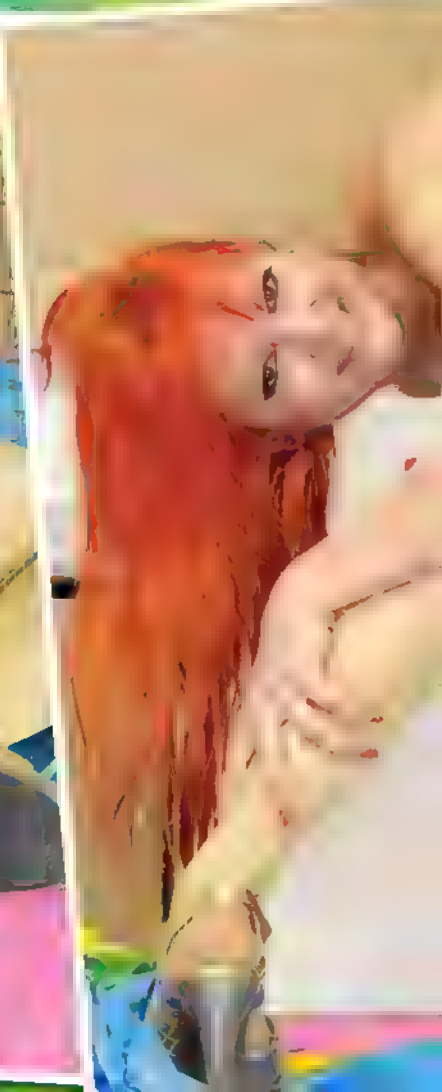

The husband thing doesn't bother me so I'll be back!

Alex, Lincs.

**MORE ON PAGE 38**

The future's bright, the future's a sweaty coupling with this orange-haired housewife from the Midlands. "Even if I didn't have this bright hair do, you couldn't miss me on the dance floor of my local clubs," admits 24-year-old April. "I'll be the one dirty dancing with all the blokes and dragging them into the toilets for a bit of how's your father!"

**CAND**

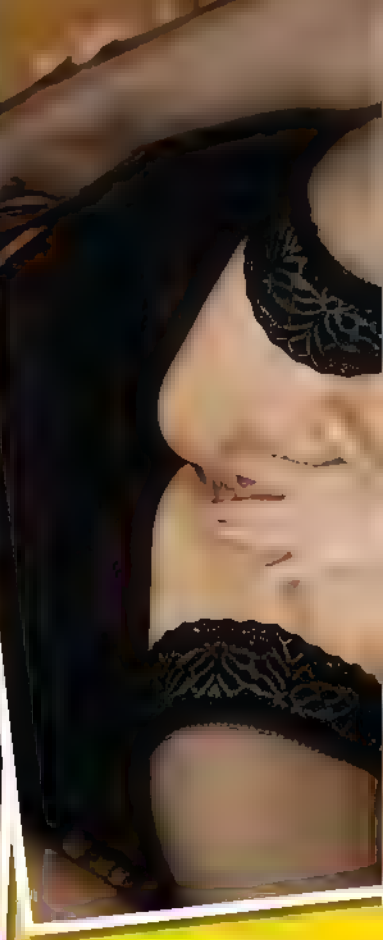

We know blokes who swear blind they don't like girls with falsies. Heck, we used to be like that ourselves. But when every other girl is sporting more plastic than Hamley's what can you do? Learn to love the silicone, that's what. Not too hard when it's attached to a girl like Candy. "My life is so much better with big boobs. Men love to fuck them and they love to be fucked! They're so hard wearing!" And need to be, we bet!

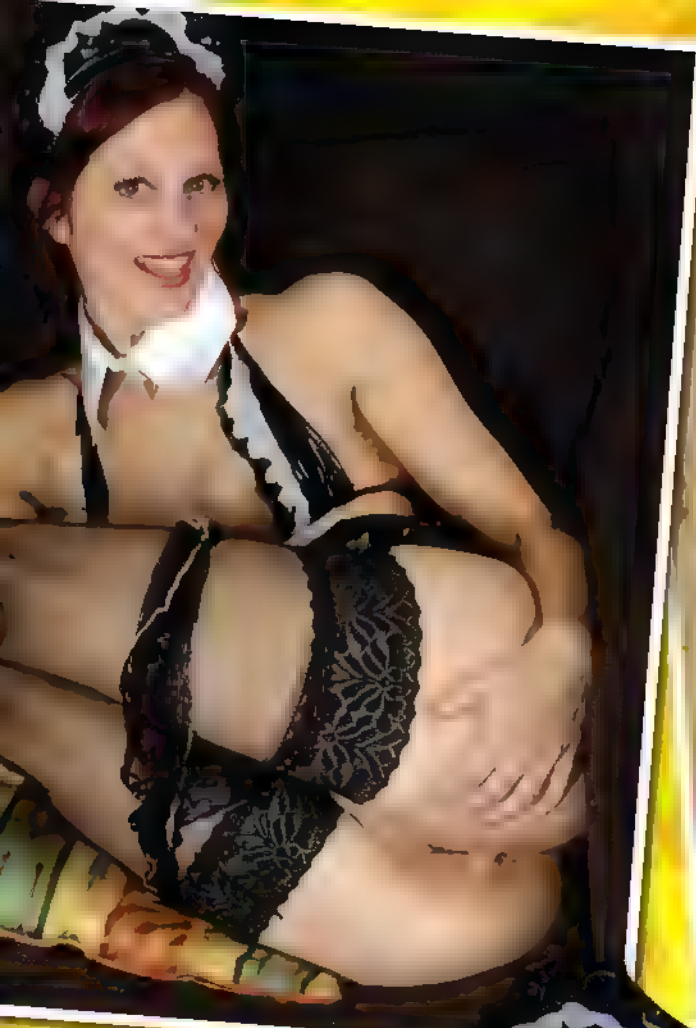

LIZZIV

In a twisted kind of UKIP way, we're sacking the team of Poles who clean our offices and employing the lovely homegrown Lizzy to get her hands dirty. She'll be kept busy all right – as you might expect, an office of pornographers isn't the most salubrious of environments. "It'll be fun cleaning for you lot," she grins. "Just try not to make a mess – try and get it in my mouth!"

Emma (23, from Derbyshire) has thrived on the attention she got after making her deliriously dirty debut in Escort last month – especially her husband's! "I hoped that it would stop from doing DIY in the shed when I really needed a bit of a hammering myself! I'm pleased to say my appearance on the cover has got him hard and kept him hard. He enjoys fucking a 'model' so please print these to keep my pussy happy!"

# PIVOTAL

## Domination theory

What started as a bit of fun with spanking and tying up has started to dominate (no pun intended) every aspect of mine and my boyfriend's sex life.

Most recently, we've begun to experiment with Matt tying me up and gagging me before he fucks me. I love it.

The first time, Matt just tied my hands to the bedstead, but now I'm being tied face down and spread-eagled on

seemed like ages, all I could do was imagine what my final 'punishment' would be.

When someone came back into the room, I couldn't even be sure it was Matt! All I knew was that someone was in there with me. I felt something cold lightly touch my back. It sent a thrill of excitement through me. What was it?

Minutes passed, then I felt a finger touch my inner thigh, close enough to my pussy to cause a little juicing

## I FANTASISE THAT HE HAS BROUGHT IN A STRANGER TO FUCK ME

the bed, and I'm gagged and blindfolded too!

The scenario will start with Matt deciding that I need some discipline. At first he'll just give me a gentle spank. I very rarely learn my lesson from that though, so I have to

up. It brushed away from my cunt, but I daren't allow my disappointment to show.

I waited, then I felt the cold thing again as it was dragged

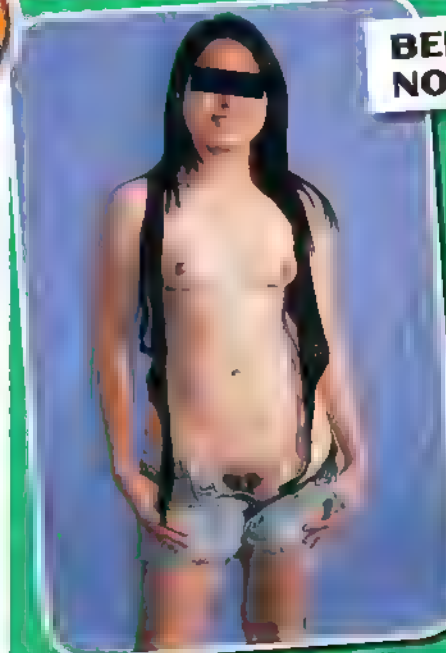

**CONTACT ME**

be entered.

Suddenly, I felt that cold thing at the entrance to my cunt. Then it was roughly thrust in.

The relief of being filled, even with this ice cold thing, was enormous, but again I dared not show it. I could feel the whole cold length inside me.

**BELLA, NORTHANTS**

gasp. The cock rammed in and out, hard and fast.

I didn't move. I just lay as still as I could and allowed my body to be used!

I came, and although I couldn't help but move a little, it wasn't noticed. Finally I was rewarded with a thick, creamy load of jizz in my cunt.

be blindfolded and gagged. Matt will then lead me to the bedroom.

The first time Matt left me there – face down, tied, blind, and unable to make a sound – to stew for what

over my bum cheeks. More time passed, and I felt what I think was breath on my cunt. I could barely stop myself from shaking – but I had to, or I knew I would have to wait longer, and I dearly wanted to

but I didn't let it show.

A weight pressed down on me, and I realised someone was climbing onto me. I felt the flesh warmth of a cock ramming its way into my now-chilled pussy. I didn't even

A hand thrust it in and out a few times, then the thing was withdrawn. I was disappointed, as it had started to thrill me,

Since then, I have taken to fantasising that Matt has brought a stranger in to fuck me, or one of his friends. Now I even do things wrong to ensure punishment!

Just recently we have taken to looking at the men in We Fuck Each Other in Escort and imagining that it is those men who fuck me whenever I'm bound and gagged.

I don't know that we'll ever play that out for real, but the thought that I might never know turns me on so much!

# REAL WIFE SEX

Angela's story continued from page 19

out and tapping against her dripping pink. Then I went down on Michelle, rubbing Darren's helmet over my face. I heard him groan – while I

might get him off, all he really wanted was to get his cock in Michelle's tight, hot pussy.

I'm good to Darren – I started rubbing them again, helmet to clit, feeling Michelle back up slightly. I slipped a finger in her, just a bit of teasing penetration, then I asked her did she want a dick in her instead. She groaned yes and so I put it in her

Michelle was small and light enough Darren could bounce her on his lap. It looked a little bit freaky – she was sat with her legs spread outside his and his balls hanging down underneath her. So I cupped them and rubbed them up against her crotch, stimulating where her skin was shaved. Then I sucked them into my mouth, enjoying the taste of her juices once again.

One thing that we've noticed with swingers, you can always tell who watches porn – most of them! – because they'll get in positions you don't see in "real life". Now Michelle bent her knees and put her feet on Darren's thighs – classic jizz-flick so you can see the penetration. She'd rise up, riding him, sometimes so far he almost slipped out, so I had to grab his cock and slide him back in her again. I wasn't just there for their good, though – sometimes I made her wait while I

took another creamy suck on him.

I thought Michelle would just fuck him, expect all the attention to be on her, but instead she asked if she could eat me from behind. She said it turned her on.

I bent forward with my arse in her face, shuffling into position so my twat peeked out between my cheeks. Then I felt her grab me, tongue lapping and probing over my cunt and then inside it.

She was horny, totally uninhibited. Now I felt her wet her fingers then poke two in my arsehole, wiggling them and opening me up. As her mouth got busy on my clit, I started groaning, grabbing for a footstool so I wouldn't lose balance. Michelle wasn't missing a beat, though. I could hear the skin-on-skin slap, the wet, sucking noises as she fucked my boyfriend's cock.

I think he was oblivious, so far into her, then I heard a groan and felt her shimmy her arse against his crotch, so he could

fuck her cunt as deep as she could take him as he came.

She looked so sexy, all flushed and glowing above the waist, and below it just a mess of streaming spunk. I hadn't quite cum yet so I lay down on the rug, frigging off and beckoning Michelle to come over and sit on my face. I let her cream – and Darren's – collect in my mouth before getting her to

She told me it would turn her on to eat me out from behind

move round and give me a kiss.

The entire night was one big fuckfest. Darren may be man enough to satisfy me when it's just us, but there was no way even his cock was going to do it for us both. This meant there was loads of lezzie fun, and I told Michelle she could use any of my sex toys.

Some of them scare me a bit, so seeing this petite woman determined to take my fattest, bumpiest dildo inside to the hilt was something to see. Too bad I didn't have a strap-on – I'd have loved to have fucked her like that, but there's always the next time.

There definitely will be next times – she's swung with a few couples and said we were the sexiest, best-looking and most fun. OK, flattery got her cunt another licking, and another length from Darren, but I do actually think she was being sincere!

I don't think swinging is for everyone – some people get too jealous. But if you're as highly sexed as me, Darren and Michelle, I'd say go for it!

# ASHLEIGH

**Ashleigh remembers her hockey at school as a series of bashed shins and balls in the face. It's just the latter she has to contend with these days. "I'm still likely to spend my free time in the shooting circle – only this time surrounded by randy blokes at my local swinging club!" chuckles the filthy pucker from Kent. Jolly hockey dicks indeed!**

## Get the Boot

**M**ost times, my foot-mad partner would rather cum all over my feet than in my pussy. It's become just as much of a turn-on for me. I love what it does to him, and how it feels for me, too.

I love the hot splatter of his jizz all over my toes, all thick and sticky as it runs between them. Sometimes he licks and sucks them clean for me, or uses his helmet to smear and massage it into my feet.

Otherwise, I'll lie back on the bed or couch, stretch my long legs up in the air and watch the spirals of cream trickle in little trails down over my ankles.

**SAM,

when he's tossing away!

My favourites are my sexy stiletto boots, though. One time I wore them to a party. Not at a kinky bash, just a normal do, though it was pretty wild. I got chatted up by a guy there and said I'd take him home and fuck his brains out if he banged one out on my boots.

We went looking for a bedroom,

## I WATCH THE TRAILS OF CREAM TRICKLE DOWN MY ANKLES

His main thing is feet, but I've got him kinky for footwear too, because that's my thing. Sometimes I'll wear a pair of high-heeled, peep-toe strappy sandals, which is the best of both worlds

and walked in on this other couple getting friendly. They told us to stay if they could watch and the girl kept on about how gorgeous my boots were.

In the end, her bloke said if she liked them that much she could lick them clean,

## Ready and able

**O**ne night recently, my boyfriend Scott came in after work. Normally I'm doing the ironing or washing up but I was feeling particularly horny this night.

I was naked to ensure he

paid attention to my slit and crack all soaking wet with pussy juices and a bit of lube.

I'd been having a good play with both my holes, getting them ready for a cocking.

Next I put on a porno for us. I'd found one of my all-time favourite fuck scenes, which put a rocket up Scott.

Some bird bouncing up and down on a big dick, followed by him slipping her one up the bum.

Scott's prick was slamming my wet snatch hard, and I was slapping my cunt back down on it as he pushed up and in.

"Watch this," I told him,

spreading it open, I felt his hips buck under me, dick throbbing.

"Want some of that?" I whispered, leaning back to kiss him.

Normally, I make him give me loads of foreplay before he gets to go up my bum, but this time I'd been playing with my dildo, so it was wet and wide open, ready as it

slowing down just before the anal scene. As he watched the bloke's hard prick slip smoothly into the woman's arsehole,

could be for his stiffy.

Scott couldn't keep his hands to himself as I wriggled on his knob.

First they cupped my boobs

— the perfect fit for them. Then one reached down to find my clitoris.

then this girl – she had a cute, skinny little body – crawled over on her hands and knees.

As she started lapping at them, her bloke came over and gave her cunt a licking, then finally got his prick inside her and fucked her slow, waiting till my boots were clean before shagging her hard.

We watched them cum – he creamed all over her back – and then I kept my promise and took my man home.

I sort of wished it had happened with my foot and shoe-fetish bloke, but you can't have everything. I don't

when my man had shot all over them. And that's what happened.

I had my fingers down my knickers as I watched his jizz arc out all over the leather,

even have everything with him – we have our fun but he's in it for the foot play. But sometimes all I want is a fat, hard dick up my cunt!

## Anal anonymous

If only my friends knew the truth... I'm an anal-o-holic! My ultimate fantasy would have to be double-penetration. Total filling, the ultimate bad girl act.

A lot of guys say they're into the idea, but when it comes to the crunch, they don't like the competition.

Still, there are other ways I can get my pleasure. One

and guided his hand. And it just felt so brilliant up there, made my pussy really tight around his cock and had me cumming so hard as he spunked in my snatch.

## TOTAL FILLING. THE ULTIMATE BAD GIRL ACT

time I was fucking a lad called Alex – he was just doing me doggy style when he got a bit finger-happy. I just let him do whatever he liked. He was early twenties, and not that experienced – I got the feeling

My ultimate ambition is the double, but I've got another alternative. Take a cock up my pussy and a big dildo in my arse. The bloke fucking me will have to have control over himself, because I want

fingers on my bud making me cum, so my pussy juiced all over his crotch and my arsehole tightened round his shaft.

I was squirming around and he was moving me himself too, finding the position that gave him the tightest, deepest screw of my arsehole.

He could probably have held off for an hour, though, until he shoved my cheeks together, so that every inch of his shaft was being squeezed tight. I jiggled up and down as much as I could, so he was pumping in and out.

We both knew when he got close to cumming and I took him deep again.

I reached down, got hold of his balls and rubbed them hard against my cunt, like I was trying to shove them inside it.

But I just wanted him to feel me flow and spurt all over them, as my powerful pussy muscles clenched.

I'll sign off now and see if Scott is ready for a fucking!

that when he put one finger up my arse, he convinced himself he'd sneaked it up there and I hadn't felt it!

He put another up there, then another which was my moment to let go with a ripper of an orgasm, convulsing so

to take half his load inside my snatch, then have him slide into my bum to finish off.

And if somebody can film the aftermath, so I can see the spunk dripping out of both my holes... even better!
